

# God's Love For ALL People: What the Bible Really Says About Homosexuality

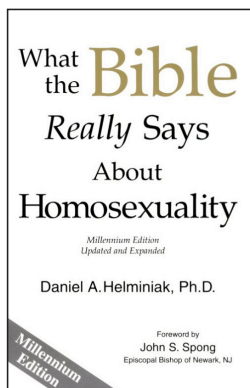

## An 8 Session Progressive Christian Bible Study

Using the book by Daniel Helminiak, Ph.D., "What the Bible Really Says About Homosexuality," this bible study stresses the need for accurate understanding of what the biblical "facts" are and concludes that "the Bible supplies no real basis for the condemnation of homosexuality." This book "...enters into the spirit of the Bible, where (Helminiak) confronts a God who created us all in the divine image, a Christ who values each of us infinitely and a Holy Spirit who calls us into the fullness of our humanity." (John Spong, Episcopal Bishop of Newark, NJ).
